

Where to Get Naloxone

These resources are intended for personal use of naloxone.
If you need large quantities for organizational or mutual aid,
contact your local or state Department of Health.

Local Pharmacy

- All pharmacies in Washington are able to provide naloxone to people directly, without a prescription. Many now also stock over the-counter naloxone. If you have Apple Health (WA Medicaid), there's no copay.
- Kelley-Ross offers naloxone for free and collects minimal personal data.

Mail Order - phra.org/naloxone

People in Washington State can order free naloxone by filling out this online form. This mail order program is for people who can't get naloxone in their community.

Needle Exchange

- Robert Clewis Center, 2124 4th Ave., Seattle, WA 98121
- Robert Clewis Center 2, 1161 11th Ave., Seattle, WA 98121
- Hepatitis Education Project, 1621 S. Jackson St., Ste. 201, Seattle, WA 98144
