2021 Summer of Learning

.Concurrent with the 2021 Summer of Learning, AXSM is launching an educational initiative focused on creating an inclusive, engaging, and inspiring learning environment for all community members. This initiative includes various programs and resources designed to promote personal and professional growth.

The program includes:

1. Workshops and seminars
2. Mentorship opportunities
3. Networking events
4. Access to a wide range of resources

AXSM is committed to creating a community where everyone feels welcomed, supported, and valued. Join us on this journey of learning and growth.
