Instructions for the game board on the next page.

SUPERHERO SUMMER GAME BOARD

1.

Make your own reading goal!
We suggest 20 minutes per day.

2.

Color in one circle each day you read.
You can color in one additional circle for each superhero activity, found on each Superhero page, you complete.

3.

Read anything you want! You may also listen to someone read, read out loud to your sibling or pet, or tell stories aloud with your family.

4.

Once you've completed 30 good deeds and days of the reading challenge you have set for yourself, return the game board to your library to collect your official "Superhero Summer!" certificate. Or you can print it at home www.spl.org/SummerOfLearning web page! so that it matches the copy in the booklet.
