

Do you want to
improve your English
language skills?

Are you preparing to
get a job or start your
career in the U.S.?

ENGLISH FOR WORK CAN HELP FOR FREE!

- **FREE 10-week program** for English language learners with intermediate and advanced level English skills
- Attend classes two times per week on Zoom; morning and evening options available
- Participate in additional in-person classes on Fridays in Redmond or south Seattle
- Learning topics include resumes, job search, interviewing, and U.S. workplace
- **Program highlights:** Students receive 1-on-1 career advising, write resumes, and do practice job interviews with local employers
