**sw artist
showcase**

**I grant permission for my art work to be displayed at the
Southwest Branch Library for the 29th Annual Southwest Community
Artists' Showcase, October 3rd – October 31st 2021**

I understand that:

- This is a non-juried showcase.
- Due to space limitations each artist may submit no more than 2 pieces.
- Some works may not be included if their size or construction prevents their effective display in the library.
- Library staff will determine the placement and display of each piece, and artwork will not be moved once it has been placed.
- The library's insurance does not provide liability coverage against theft or damage for works on display. I submit my work for inclusion in the showcase at my own risk.
- I need to pick up my artwork between Sunday, October 31st – Saturday, November 6, 2021. The Library will dispose of any artwork that is not picked up.

I am submitting these works for inclusion in the art showcase, with my name clearly written on each piece of art and on any packing supplies:

List the title and medium of each work.
